MISSION BAY HIGH SCHOOL

1962

The 1962 Taroga is dedicated to Mr. Clair Seely, Senior Citizen among teachers, who retires this year. We shall miss his friendly, smiling presence on our campus. In his role as teacher, friend, guide, and counselor he has typified for many years the spirit of friendship at Mission Bay High School.

P r i n c i p a l

The Class of 1962 is Mission Bay's eighth graduating class. In many respects its corporate nature is quite similar to that of preceding classes, and in the years to come we will be hard-pressed to remember back and identify this class as a separate unit from the others. We will never forget, however, the individual personalities of the group. Those who have excelled in scholarship, craftsmanship, music or art, athletics, drama, R.O.T.C., journalism, student government, or any of the other activities, will remain in our memories. We will remember just as affectionately those of the group that came to us with problems asking for help and those in trouble seeking our counsel. Every one of you has been important to us and to the school, and as you leave us now our best wishes follow each member of the Class of 1962.

Nick Woolff and Noriko Koyama

We have enjoyed having our two foreign exchange students, Noriko Koyama from Japan and Nick Woolff from South Africa, with us this year. Due to their friendly personalities, warm smiles and open hearts we have learned more about the true meaning of friendship.

Noriko found friends not only in her foreign home but everywhere in the halls of Mission Bay.

Nick excelled in academic fields and also as A.S.B. President and as a member of various social organizations.

A large crowd of students, mostly young men, are shown from the chest up, filling the frame. They are all cheering with their hands raised in the air. In the upper left, a dark rectangular sign with the words "MISSION BAY" in white, bold, sans-serif capital letters is visible. The overall tone is celebratory and energetic.

MISSION BAY

Mission Bay, black and gold;
Hail to thee, Alma Mater.
Praises to thee we sing;
Loyalty we pledge forever,
Hail, all hail, ever to thee,
Mission Bay.
